Paramedic visits Reception

As part of our 'People who Help Us' topic we had Mr Keating, a Paramedic, visit our Reception cohort. Mr Keating spoke with our pupils about his job and how Paramedics help save lives! Our pupils were fascinated to understand the different kinds of equipment that can be found and used in an ambulance. Mr Keating is also one of our lovely Parents. Oakfield very much appreciate your time and effort in coming into school and supporting our learning.

Thank-you 😊.

Attendance

The top 3 classes for attendance for this week were:

1. 2ME – 98% 2. 5LB – 96% 3. 3LA – 95%

Well done 2ME for the second week running 😊.

Inspire Workshops

Please join **Year 6 on Tuesday 6th February** and **Year 3 on Thursday 8th February** for their Inspire Workshops! An Inspire Workshop is an opportunity for our pupils to become the 'teachers' and share their learning with their Parents/Carers. We would love to have as many Parents as possible to attend. Both events on their prospective days will be in **Big Oaks Hall between 09:00 – 10:00.**

Parking

We have had several complaints from residents and Parents about the parking on Oakfield Road and Merttens Drive. Parents are parking in careless or illegal places without considering the private property of residents. We have had complaints from residents about parking on the grass verge which is private property and unacceptable. This is causing great upset to residents which is not how we want relationships between Parents of the school and the community to be.

Please take some care, consideration and thought when parking your vehicle. Put yourself in the position of the resident and how you would feel if that was your home.

Dates for your Diary

- 6th February – Safer Internet Day
- 6th February – Y6 Inspire Workshop 09:00
- 7th February – Severn Trent visit Y4
- 7th February – Valentines Disco EYFS & KS1
